WE THE PEOPLE of Clymer Central School

In order to always remember the School Year

of 1963-1964

Establish in our minds the things we have

learned and the fun we have had

Insure the memories of our friends and

associates

Provide for the time when this period will

seem long-departed

Promote an everlasting school spirit and

Secure the blessings of these days for our-

selves and our posterity . . . do

Ordain and establish this COURIER for the

past year at

CLYMER CENTRAL SCHOOL

Dedication

To our class advisor, Mrs. Rooker. We the senior class of 1964, dedicate this book; with our deepest appreciation for all the guidance, understanding, advice and co-operation you have shown to us throughout our high school years. For four years, you have undertaken the task of being class advisor, in addition to your regular homemaking classes. You have directed our Junior and Senior plays, supervised our suppers, and supported our money-making adventures. This yearbook is our way of thanking you--only a small token of appreciation for what you have done.

The American Field Service began during World War I as an ambulance service. In 1947 the veteran ambulance drivers initiated a fund to send students from America to France to better international understanding.
Since then 16,117 students from 66 countries have come to America and 9,486 Americans have gone abroad for a summer or school term.

During the 1963-1964 school year, C.C.S. welcomed in their midst an A.F.S. student in the person of Eugene Steyn, who came from Knysna, situated in the Cape Province of the Republic of South Africa. Eugene, the son of Mr. and Mrs. H. Steyn, resided at the home of Mr. and Mrs. Alden N. Robinson in Findley Lake.

Fifty-three strong, the music loving pupils of C.C.S. enter the music room first period of Tuesday and Thursday for rehearsal. In choral harmony, they echo forth classical, patriotic, popular and sacred music.

Laughter, work, and enjoyment throughout the year make the time and effort exerted by one and all, a worth while activity.

"To give the most pleasure to the greatest number of students," is the stated purpose of the band.

This year Miss Smith and the band have developed capable musicians; prepared patriotic and worthwhile music for assembly programs; provided an outlet for talented students interested in music; and made useful contributions to community as well as school culture.

"Onions in the Stew"

Senior Play

November 21, 22

This play portrays family life on a secluded island with two teenage daughters and tolerant parents. Hilarious situations arise when unexpected mishaps have them ready to retreat back to the city. They learn to love the rough and hectic way of island life, and when it comes time to sell the house; they decide to stay - "where hearts were high and fortunes low - and onions in the stew".
